Why Buy Travel Insurance?

Vacations can take months to plan and only hours to ruin if you have to cancel your trip or get sick while traveling. Protect your travel investment with Cruise Brothers. Travel Protection from Allianz Global Assistance offers benefits like trip cancellation and interruption, emergency medical and dental coverage and a 24-hour assistance hotline so help is always just a phone call away.

Whether you're traveling halfway across the country or halfway around the world, Trip Insurance can protect you against covered unforeseen circumstances that can disrupt your plans. Key benefits include reimbursement for nonrefundable expenses if you have to cancel due to a covered illness, injury or death of a traveling companion or family member, or an unexpected covered injury or illness while traveling requires you to receive medical care. This is particularly important if you're traveling overseas. In many cases, U.S. medical insurance is not accepted outside the U.S. Coverage also includes canceled services that may leave you stranded at the airport for an extended period and you incur meal or lodging expenses as a result. Emergency Assistance is available from anywhere in the world and provided by our in-house, multi-lingual coordinators. Limitations apply – please review the terms and conditions for complete details.

You purchased trip cancellation coverage that covers the full cost of all your non-refundable trip arrangements; 3.) You were a U.S. resident and medically able to travel on the day you purchased the plan; and 4.) The total cost of your trip is \$10,000 per person or less. All other contract terms and conditions apply.

Supplier Default Coverage

Supplier Default coverage covers situations where a carrier, cruise line, tour operator or other travel entity goes into financial default. Supplier Default coverage is provided when: 1.) You purchase your insurance within 14 days of initial trip payment or deposit; 2.) The financial default occurs more than seven days after the plan's effective date; and 3.) You use a travel supplier (other than the organization from which you purchased this insurance or their affiliate companies) that Allianz Global Assistance currently lists as a covered supplier.
